

Gainful Employment Disclosures – 2019

Massage Therapy Program-9 months

This program is designed to be completed in 31 weeks

This program will cost \$12,227.29 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed. These costs are estimated to be \$18,963 for a student living with their parents, and \$28,170 for a student not living with their parents. These estimated costs are for cost of living, and not actual tuition costs, while enrolled in school and completing the program.

Of the students who completed this program within normal time, the typical graduate leaves with \$7389 of debt.
