How to Apply for Financial AID At CSHA

Our goal is to expedite and simplify the application process for financial aid.

Please contact us with your questions and to schedule an appointment.

If you plan to start on or after July 1, 2023, you will apply for financial aid in the 2023/2024 federal award year of July 1, 2023 – June 30, 2024. To have financial aid award money applied to first quarter tuition and fees, it is important to apply early.

Financial aid forms can be intimidating; we are happy to assist you and answer your questions! You're welcome to call and schedule a time to meet with Jeff Penton, Financial Aid Administrator, for support or you can complete step 1 below.

1. Please complete the 2023/2024 Free Application for Federal Student Aid (FAFSA) at studentaid.gov. To ensure that CSHA receives your information, use the federal school code **035844** as you enter your **2021** tax information. If you are under the age of 24, you may need to have your parent(s) also complete the FAFSA.
2. **Please contact our Financial Aid Administrator to schedule a time to review your options utilizing the Title IV Federal Aid at CSHA.**

Please stay in contact with the Financial Aid Office and check with us if you have questions about your application, deadlines, or potential award.

Title IV Financial Aid Programs- 2023/2024 Award Year

Federal Pell Grant

Award amount from \$614 to \$5,916.

The Federal Pell Grant is money awarded to eligible students that does not have to be paid back. Eligibility for the grant is based on 2020 income as well as other factors. Students who have received a Bachelor's degree are ineligible to receive the Pell Grant. Monies are awarded per payment period (1st half and 2nd half of the program) and applied directly to college tuition and fees.

Federal PLUS Loans

Loan amount to \$10,000 or more as student budget allows

The PLUS loan (Parent Loan for Undergraduate Students) is available to eligible parent(s) of dependent students. Both the interest and principal repayment begin upon the student completing the program or their last day of attendance. The lender will perform a credit check on the parent(s). If the parent(s) is/are declined for the PLUS loan, the dependent student may apply for unsubsidized direct loans up to independent student award limits.

Federal Direct Loans

Subsidized

This need-based loan program provides funds to eligible students, and is required to be paid back. Interest on this loan is subsidized by the federal government while the student is enrolled in school at least half-time. Principal repayment of the loan begins after the six-month grace period. Eligibility is based primarily on 2021 income. *(Financial Aid information continued on next page)*

Unsubsidized

This loan program is not need-based. Interest on this loan is accrued on the day of disbursement, but can be deferred. If the interest is deferred, it may be capitalized (added to the principal amount borrowed). Principal repayment of the loan begins after a six-month grace period following the student's graduation or last day of attendance.

Veterans Benefits

Note: For new students- as of 1/2023 we have discontinued the Veterans Education Benefits

CSHA is approved for participation in various funding programs offered through the Veterans Administration, including the GI Bill®. Graduation and Employment Rates – as submitted to the Accrediting Commission of Career Schools and Colleges (ACCSC).

Completion or Graduation rates (**G**) consist of the number of students who graduated from the program divided by the number of students who started in the program during the time period. The students who graduated must have done so within 150% of program. The time period reported on is based on 150% of the program plus three months.

Example the data reported in 2022 for a:

- 9 month program is for students who started between March 2020 and February 2021.
- 12 month program is for students who started between October 2019 and September 2020.

The ACCSC established benchmark for Graduation of a 9 month program is 60% and for a 12 month program it is 55%.

Placement or Employment rates (**E**) consist of the total number of graduates verified as employed in the field divided by the number who graduated. The ACCSC established benchmark for Employment is 70%.
